Condition of PHCs in UP

†1213. SHRI ANIL SHARMA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that inspite of all efforts made by Governments the primary health condition has become worse in Uttar Pradesh;

(b) whether Government are aware that neither the doctors are regularly available at Primary Health Centre of Sultanpur District in the State especially at Kurebhar Primary Health Centre nor the Medicines supplied to these centres are distributed to the patients and inrregularities are taking place in various disease eradication programmes of Government; and

(c) the concrete steps to be taken by Government to improve the situation?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) and (b) The establishment of primary health care facilities in U.P. has not kept pace with the actual requirement as per population norms as per statement. (*see* below). Setting up of health care facilities, recruitment and postings of health personnel in health care institutions etc. is the responsibility of respective state governments. As the administrative control Primary Health Centres rests with the state governments, states including U.P. have been advised to improve the health services by ensuring presence of doctors and medicines in all health facilities.

(c) The Central Government is supplementing the State Government's efforts through a number of innovative schemes to improve the functioning of primary health care institutions in the country including those in U.P. as detailed under:

- Provision of equipment/medicines/vaccines;
- Repair/construction of OT/Labour Room/upgrading of water & electric supply at CHC/PHC etc.
- Financial assistance for contractual appointments/hiring of Anaesthetists/Gynaecologists/Safe Motherhood Consultants/Staff Nurses/Lab Technician/Additional ANMs, Training, IEC etc.

Statement

Status of Heath Infrastructure in Uttar Pradesh and Uttaranchal (as separate data in not available)

Health on the Pattern of AIIMS in States

1214. SHRI RAMACHANDRA KHUNITA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that even a hospital like AIIMS is not able to take the entire medical care of the patients;

(b) whether it is also a fact that the patients are either asked to wait for a long time for investigation or go for private clinics; and

(c) whether Government have any proposal to have at least one hospital in all State headquarters on the pattern of AIIMS?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) The number of patients attending the OPDs has increased manifold during the last two decades. Inspite of constraints, adequate medical care is being provided to all the patients to all the patients who come for treatment.

(b) The waiting time for patients having to undergo investigations like C.T. and ultersound is in the range of 3-4 days and no patients are referred outside for any investigations.

(c) There is no such proposal under considertion with the Government.

Spread of Hepatitis-B

1215. SHRI ABANI ROY: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:
